

KTO KARATAY UNIVERSITY
KARATAY JOURNAL OF ISLAMIC ECONOMICS AND FINANCE
(KARJIEF)
CONFLICT OF INTEREST STATEMENT

1. Whether any material and/or moral support that could negatively affect the decision related to the study was received from any commercial firm directly associated with the research topic during the evaluation process of this study.
2. Whether the authors and/or their family members have any potential conflict of interest situations such as consultancy, expert testimony, employment at any firm, shareholding, and similar conditions related to this study.
3. Whether there was any conflict of interest area during the data collection, interpretation of results, and writing stages of the manuscript, must be clearly stated, and the form must be signed by all authors.
